AIAP Purchase Order Terms & Conditions

Compliance with the Applicable Flow Down Requirements

Supplier must comply with all purchase order requirements including the applicable AIAP customer's flow down requirements.

Right to Verify Purchased Products:

Where specified in the contract, AIAP Customers shall be afforded the right to verify at the Supplier's premises and the organization's premises that subcontracted products conform to specified requirements.

Verification by the customer shall not be used by the organization as evidence of effective control of quality by the supplier and shall not absolve the organization of the responsibility to provide acceptable product, nor shall it preclude subsequent rejection by the customer.

Disposition of Nonconforming Product:

"The supplier is to notify AIAP for disposition of any non-conforming product within a reasonable time period after it is identified"

Provision of Product Integrity & Traceability:

"All products supplied by the supplier must be legible and traceable to the Original Equipment Manufacturer (OEM) with full lot traceability. Paperwork traceability must be maintained at the supplier's facility. Supplier must provide OEM Certificate of Conformance (COC) and Test Reports (T/R) upon request. AIAP prohibits any purchase, shipment or circulation of counterfeit/suspect unapproved products"

In the event of receiving counterfeit parts. ***AIAP will not pay the invoice for the receipt of counterfeit parts nor will the parts be returned back to the supplier.***

Change of Product:

"The supplier is required to notify AIAP of any changes in product definition"

Right to Access:

"AIAP, their customer, and any regulatory authorities will have the right of access to all supplier facilities involved in the order and applicable records."

Shipping Tolerance:

Ship quantity tolerance is +/- 0% without buyer written approval.

(All product shipped to AIAP **must be free** of mercury compounds)

(All product shipped to AIAP **must be** from conflict free origins)

(All product shipped to AIAP **must be free of FOD**)

Lead Free Product Requirement:

All Electronic Systems products, parts, component and assemblies supplied by the supplier must be Lead Free and in compliance with GEIA – STD – 0005 – 1 – A and, GEIA – STD – 0005 – 2 – A, Level 2C

European Regulation (EC) 1907/2006 (REACH)

Where applicable, the supplier must comply with European Regulation (EC) 1907/2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals. See Candidate list available at <http://echa.europa.eu/web/guest/candidate-list-table>.

Foreign Object Damage/Foreign Object Debris (FOD) Prevention

All products/components/services supplied to AIAP must be free of FOD, per NAS 412, Foreign Object Damage/Foreign Object Debris (FOD) Prevention Standard Practice.
